ALLAH HOO

This is the wonder of your divine essence,
O Holder of the World, undying presence.
Every single creature reflects your beauty,
Every object sings of you, Almighty!

Allah hoo!

Every moment fresh in your flow of marvel,
you lure every yearning gaze toward you.
Every branch extols your creative vision,
every leaf a signature of your power.

Allah hoo!

Why did Haider's son drink his lethal
goblet,
Why was Shams-eTabrizi martyred?
What did Mansoor cry out at his gallows?
Maker of the toys, you alone are standing.

Allah hoo!

You created all beyond all doubt!
The entire universe seeks your spirit.
Omnipresent is your godly grandeur.
Without a peer, O Supreme Ruler!

Allah hoo!
